Dear John,

**Re: 26 Station Road, Watford.**

I wanted to write to you to thank you for the work you carried out recently to our new offices.

The end result is fantastic, and we are delighted with our new offices, which are spacious and welcoming – indeed, we have had many comments from clients on how nice the new offices are.

You managed to carry out a considerable amount of work, in a very short space of time, and met our deadline for moving in on time, and on budget. In particular we are impressed with how you managed to bring all the various components of the refurbishment together, and that we were able to give you a specification of what we wanted, confident that you would be able to sort everything to our satisfaction.

We are very pleased with the end result, and would not hesitate to use you again for another job of this magnitude.

Thanks once again,

Kind regards,

David Vizard
